

### **Treasurer's Report for the Season 2019 /2020.**

With a balance of £1,416 the club's financial position remains healthy, with members subs continuing to cover all costs.

With the possibility of a return to OTB chess so uncertain, I will not speculate on changes to future room hire rates or members' subscriptions which are subjects for the AGM.

I thank all members for their prompt payment and clear name reference.

Robert Hitchings. 03.09.2020.

Treasurer.
